

Business Plus

- Senior Executive Assessment

1 Day Senior Executive Assessment

A single day with the senior executive to help draw up an assessment of the key business needs.

- Examine the key areas of responsibility and targets for the manager(s) concerned
- Identify :
 - key areas where increased skills or knowledge would make a positive impact on your business.
 - the leadership and management training options
 - the specific benefits to you of regular business mentoring
 - the options for improving business / product development strategy
- Work with you to put together a personal development plan, which will determine the most suitable course of action to support your objectives.

Target audience:

A business leader or senior manager of organizations that employ between 1 and 250 staff.
